Camden County, MO
Emergency Management Agency
Example Activation
Order of Operations

1. A large-scale emergency occurs.
2. Camden County Commission/Dispatch/Incident Commander/Emergency Management Director activates the Emergency Operations Center and determines the LEVEL of activation. The level can and will change throughout the course of the incident.
3. The Emergency Management Agency triggers the Hyper-Reach EOC Activation Alert List which contains the heads of all first responder agencies, commission, public works, etc. These representatives or those authorized to use their authority report to the EOC.
4. The EMA activates the Hyper-Reach CERT EOC Team List.
    a. CERTs who have volunteered for the EOC Team report directly to the EMA building as soon as it is safe to do so.
    b. CERTs receive layout information for the physical EOC and set up the EOC for operations.
    c. CERTs follow the Planning P with EOC personnel.
5. EOC personnel receive a briefing.
6. EOC personnel complete EOC actions needed for the period planning cycle.
7. EOC personnel begin demobilization as soon as feasible.
8. EOC personnel continue with debriefs.
9. Hot wash and After-Action Report completed as soon as feasible.
